Jesus was also a master of improvisation, evident by how he developed an entirely new storyline based on whatever someone presented to him.

Our ministry has been blessed due to our Fireworks Fundraiser and our Monthly Donors. These two sources often make our trips available at a lower cost than it actually takes to attend these events. Please find out how you can help with our Annual Fundraiser or give to EYM.

The last Wednesday of every month we have a bowling night, which is a great way to introduce other students to EYM.

Pass out Pastor Justin's business card flyers all around town. We want to see over 5,000 of these passed out this year! If you need more, please check the back of the church.

FYI: Sending your students on trips helps to develop relationships with others who believe like they do and increases odds they will remain in church when they graduate.

EYM'S Been Doing...

What an incredible month it has been! We have been extremely busy with activities, services and our annual fireworks fundraiser. Thank you to all who have taken the time to volunteer in service at our fireworks booth. Thank you to our parents and students who have completed the mandatory 10-hour commitment of service to our fireworks booth. Without your support we would not have the funds available to do what we do for the students in this town.

This year has been a record setting year for our fireworks booth. God has blessed us greatly this year. I cannot wait to see all that God has in store for us. There are various opportunities God has provided to our church to reach out to our community. It is my personal prayer to see our church filled with children, teens and their families. I hope you will integrate this prayer in your daily prayers as well!

During the past several weeks God has opened many doors communicate the Message of Jesus Christ with those who have not accepted Jesus as their Savior and to invite Jesus into their lives. This has thrilled my heart! We as a youth ministry must remain on track to reach souls for the Eternal Kingdom of God. This is our primary purpose. As the upcoming school year approaches, we must commit ourselves to prayer for

opportunities to present Jesus Christ to our community. We must gear up and invite others to church. As August and the new school year quickly approach, let us remain faithful to the task we have been presented to reach the lost in incredible ways.

Bible Verse

Matthew 9:37-38 "Then he said to his disciples, "The harvest is plentiful, but the laborers are few; therefore pray earnestly to the Lord of the harvest to send out laborers into his harvest."

"DIRECT YOUR CHILDREN ONTO THE RIGHT PATH, AND WHEN THEY ARE OLDER, THEY WILL NOT LEAVE IT" (PROVERBS 22:6).

We want to work along-side you, to help provide you with the tools necessary to train your student in godly principles.

This month we would like we are discussing "What A Christian Should Look Like At School." We polled students and this was their top concern. They are seeking a special need for guidance in how to be a Christian at school. Could you take a few moments each week to read through the Scriptures we used in our lessons and then discuss these topics with your student?

Please prayerfully consider supporting EYM through prayer and financial giving at WccCal.org/Online-Giving.
